

# Acceptable Use Policy

Last Updated: January 20, 2020

All Escher Innovations customers must follow this Acceptable Use Policy ("Policy") when they access or use our websites, applications, and other online products and services, including Remote Expertise Network, Intelligence Assistance Suite, Adaptive Micro-Learnings and various other products or services, (collectively, our "Services"). By accessing or using the Services, you agree to this Policy. If you do not agree, you may not access or use the Services. We reserve the right to suspend or terminate accounts if customers violate this Policy.

We reserve the right to change or modify this Policy at any time and at our sole discretion. If we make changes, we will provide notice of such changes, such as by sending an email notification, providing notice through the Services or updating the "Last Updated" date at the beginning of this document. By continuing to access and use the Services after our notice, you confirm your acceptance of the revised Policy. If you do not agree, you may not access or use the Services.

## Prohibited Content

You agree that you will not use Escher Innovations's Services to send anything offensive, to promote anything illegal, or to harass anyone. Without limiting the foregoing, you may not send any messages or content that:
